Introduction	225
Basic concept	225
Meaning of “plant”	226
Wear and tear annual allowance – in respect of plant and machinery (including commercial motor vehicles and cars)	226
Balancing allowances/charges	236
Schedule E capital allowances	245
Unutilised capital allowances	246
Accelerated capital allowances	246
Treatment of assets acquired/disposed in a period which does not form part of the final basis period for any tax year	247
Additional examples	248

CHAPTER 14 – CAPITAL ALLOWANCES – INDUSTRIAL BUILDINGS

	Page
Introduction	263
Meaning of industrial buildings	263
Industrial buildings annual (or writing down) allowance	265
Tax life of industrial buildings	265
Other matters	267
Extension of availability of industrial buildings allowance to lessors	269
Ring-fencing of capital allowances	269
Urban renewal capital allowances	270
Free depreciation and initial allowances	270

CHAPTER 15 – LOSS RELIEF FOR INCOME TAX

Introduction	271
Case I/II set-off loss relief claims	271
Case I/II relief for losses carried forward	277
Terminal losses	278
Case V losses	282
Limit on certain losses	287

CHAPTER 16 – INCOME TAX AND PARTNERSHIPS

Introduction and basic principles	289
Definitions	289
Assessment	290
Assessment procedures	290
Apportionment of tax adjusted profits	291
Joint capital allowances and balancing charges	292
Charges	294
Relief for losses	295
Miscellaneous items	297

CHAPTER 17 – TAXATION OF FARMERS

Introduction	301
Computation of income	301
Basis of assessment	303
Capital allowances	306
Losses	309

CHAPTER 18 – TAX RESIDENCE AND DOMICILE OF INDIVIDUALS

Introduction	311
Tax residence for individuals	311
Ordinary tax residence	312
Domicile	313
Impact of residence, ordinary residence and domicile	314
Cross border workers resident in the State	319
Split year residence	322
Remittance basis	324

CHAPTER 19 – RESTRICTION OF TAX RELIEFS FOR HIGH INCOME INDIVIDUALS

Introduction	327
Restrictions on the use of tax incentives	327
List of specified reliefs	330
Carry forward of unrelieved specified reliefs	331
Reporting requirements	332
Practical examples	332

CHAPTER 20 – TAXATION OF TERMINATION PAYMENTS

Introduction	337
--------------------	-----

	Page		Page
Taxation of lump sum payments on retirement or removal from an office or employment	337	Meaning of “associate”	495
		Disadvantages of close company status	496
CHAPTER 21 – AN INTRODUCTION TO CAPITAL GAINS TAX		CHAPTER 27 – AN INTRODUCTION TO CORPORATION TAX GROUP RELIEF	
Capital gains tax – charge to tax	347	Relief for group trading losses	509
Computation of gain or loss	354	Consortium loss relief	514
Specific computation rules	360	Group relief for manufacturing trade losses	515
Shares and securities	367	Restriction of group relief where accounting periods are not coterminous	516
Time of disposal	373	Restriction of group relief where late filing of returns occurs	517
Location of assets	373	Capital gains groups	518
Assets passing on death	374	Group payments	522
Husband and wife	376		
Connected persons	379	CHAPTER 28 – VALUE ADDED TAX	
Non-chargeable assets and reliefs	380	Introduction and background	525
Losses	387	Accountable persons	527
Administration procedures	390	Taxable transactions	531
Form CG1	392	Place of supply of transactions	532
		Amount on which VAT is chargeable	538
CHAPTER 22 – SPECIAL CGT RELIEFS		Value Added Tax rates and exemption	540
Principal private residence relief	393	Exports, import, etc	542
Replacement of business assets (“Rollover Relief”)	396	Deductions for VAT	546
Rollover relief in respect of disposals of certain rental properties	400	Obligations of accountable persons	549
